

A photograph of two hotel staff members in white uniforms and caps walking away from the camera down a brightly lit, ornate hallway. They are carrying several shopping bags. The hallway features high ceilings, decorative moldings, and a large potted plant on the left. The overall atmosphere is one of luxury and service.

Mehr als 25 Jahre Erfahrung im internationalen Hotelgeschäft und mehr als 1 Million Installationen auf 6 Kontinenten haben ein einzigartiges Verständnis für neue Trends, kulturelle und geographische Unterschiede, Sicherheitsstandards und elektrische Voraussetzungen hervorgebracht.

„Design-sensitive, klassische Produkte, technologisch ihrer Zeit voraus, erprobt im tagtäglichen Hätetest.“

With over twenty five years experience and more than 1 million installations on 6 continents, Aliseo GmbH has a unique understanding of hospitality needs – from design and cultural sensitivities to geographical considerations, electrical requirements and safety standards.

"Design sensitive, technologically advanced products engineered to withstand the test of time."

A photograph of two hotel staff members in white uniforms and caps walking away from the camera down a brightly lit, ornate hallway. They are carrying several shopping bags. The hallway features high ceilings, decorative moldings, and a large potted plant on the left. The overall atmosphere is one of luxury and service.
